

BRADLEY “Scott” DUCHARME

MAINE SENATE #34

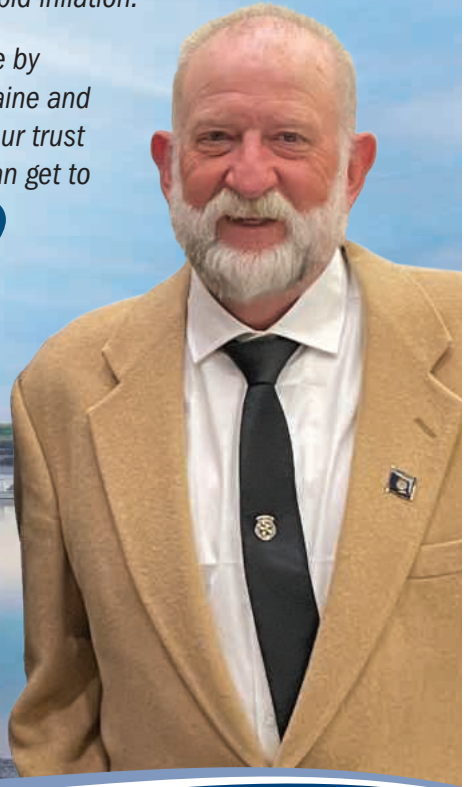

KENNEBUNK, KENNEBUNKPORT, WELLS, BERWICK, NORTH BERWICK

Engineering a New Course for Maine

“ Augusta has sailed off course and it's time to change direction. As a Merchant Mariner, small business owner in Kennebunk, and alumnus of Wells High School, I know how important it is to protect our maritime industries, support our small businesses, offer expanded educational opportunities for our young and appropriate care for our elderly, while assisting all Mainers by allowing them to keep more of their hard-earned money as they try to make ends meet during this period of rapid inflation.

I know all of this can be done by charting a new course for Maine and would be honored to have your trust and vote in November so I can get to work on your behalf. ”

MAINE SENATE #34

KENNEBUNK, KENNEBUNKPORT, WELLS, BERWICK, NORTH BERWICK

Engineering a New Course for Maine

- **Reduce Taxes** to help Mainers cope with the rising costs of basic necessities.
- **Control Spending** by auditing state programs to root out waste and costly, ineffective programs.
- **Address Rising Energy and Home Heating Prices** by implementing policies aimed at lowering these costs.
- **Expand Technical, Trade, and Vocational Education Programs** to provide additional career options for Maine students.
- **Support Our Veterans** by protecting and expanding programs to address their medical & housing needs.
- **Protect Vulnerable Seniors** by prioritizing funding for Maine's nursing homes & long-term care facilities.

About Bradley Scott Ducharme

Scott Ducharme lives in Kennebunk with his wife Sonja where they have owned and operated Shorelands Guest Resort since 1992.

As a Trustee of Kennebunk Light & Power, Scott voted to lower electric rates four times over the last five years. He has also been a member of the local Chambers of Commerce.

A graduate of Maine Maritime Academy, Scott is a Chief Engineer in the US Merchant Marines and a First Class Engineer in the state of Maine.

VOTE NOVEMBER 8TH!
