SPECIAL GUEST SPEAKER

Retired Major General

John Deyermond

**On the Meaning and History of the
American Flag**

YCRC is honored to welcome as our Guest Speaker for our meeting on the eve of Flag Day the brother of our Chair Jim Deyermond, Major General John Deyermond. During his 35 years in the military, General Deyermond served at every level of the Army, from Company Commander to General Officer, which included an extensive number of overseas assignments and a variety of NATO Command and Staff Positions. He is not only well-versed in American military history but also in American history in general and we look forward to learning more about our American Flag, perhaps even why it is called "Old Glory."

As their legislative duties permit, York County GOP members of the Maine House and Senate will be on hand to update on what is happening in the legislature.

YCRC Municipal Development Committee will not be meeting before the YCRC meeting.

MDC activities will be discussed at the business meeting.
